The Deputy Commissioner of the Tumkur District and President of the Tumkur District Board recommends for the sanction of Government a resolution of the -- District Board that the latter may be given the privilege of electing their own Vice-President as provision exists therefor in the Local Boards Rules (Rule 8 (1)).

2. This provision in the Rules has not been acted upon as yet and the practice has been for Government to appoint the Treasury Assistant Commissioner of the ---- District as the Vice-President of the District Board.

3. The appointment of non-official Vice-Presidents for District Boards has been in force in some of the -- Districts of the Madras Presidency and the Deputy ----- Commissioner of Tumkur thinks that the system may be -- tried in Mysore with advantage.

Office of the Deputy Commissioner,

LB 123-15-1

From

K.R. Srinivasiengar, Esq., M.A.,
Deputy Commissioner-President,
District Board, Tumkur District.

To

V.R. Thyagaraja Iyer, Esq., M.A.,
Secretary to the Government of His Highness the
Maharaja of Mysore. Revenue Department. Bangalore.

Sir,

I have the honor to state that under Rule 8 (1) of the Local Board Rules, the Vice-Presidents of District Boards should be appointed by Government or authorized by them to be elected by the members of the Board. In exercise of the Powers conferred by the above rule, Government have appointed Assistant Commissioners in charge of District Treasuries as Vice-Presidents of District Boards. At a meeting of the Tumkur District Board held on the 19th February 1916 the Board has resolved that Government may be moved to grant to it the privilege of electing a Vice-President from among its members. Copy of the resolution of the Board in the matter is enclosed for perusal.

2. The desirability of entrusting the non-official members of Local Boards (District Boards and Municipal Boards) with a greater degree of responsibility and control in the administration of the Boards has already been recognized by Government and non-official Vice-Presidents have been appointed for some of the important Municipalities. The Scheme has so far been attended with success; and I think that the time has come when we might extend the privilege to the District Boards also. In British India, Non-Official Vice-Presidents have been appointed for many of the District Boards and the system has been working successfully. There is no reason why it should not be introduced in Mysore with equally good results at least in respect of such

District

(10

District Board as can count among its non-official members, intelli-
-gent and educated gentlemen willing and competent to perform the
duties of Vice-President.

3. The District Board of Tumkur, as at present constituted, has
a few intelligent, educated and public spirited men who have the --
requisite capacity and willingness to discharge the duties of Vice -
President and if an election for the Office is held, I have no doubt
that the choice of the Board will fall on a suitable and competent
person.

4. Under these circumstances, I beg to recommend the proposal
of the Board for the favourable consideration of Government.

I have the honor to be,

Sir,

Your most obedient servant,

A. R. [illegible]
Assistant Commissioner
